*Albany Under 40, a program of the Albany Area Chamber of Commerce, honors and celebrates the Albany Area's emerging professionals who have distinguished themselves in their respective industries and who, through their stewardship, are helping create a stronger, healthier community and region. Category winners were selected from among the category finalists, which were previously announced. The Albany Under 40 2020 Young Professional of the Year will be selected from among the category winners and announced at the Albany Area Chamber's 111th annual meeting in 2021, the details of which are forthcoming.*
